

American Red Cross Aquatics

Parent Tot Swim Lessons

Course will help young children become comfortable in and around the water so that when the time comes, they will be ready to learn how to swim. The course will introduce water safety skills that are developmentally appropriate for infants and young children. It is important to know that this course is not designed to teach children to become good swimmers or even to survive in the water on their own.

**Sign up
now at the
pool or
call us at
(719)
539-6738!**

**Saturdays,
January
6-27, 2018**
