Volunteer Opportunities 2017

We rely on the help of volunteers for special programs and events throughout the year. Please keep the following dates in mind for volunteer opportunities in 2017. We appreciate any help - no experience necessary! If you are interested in volunteering at any of these programs or events, please contact Matt Sweeney at Salida Recreation, salidaraces@gmail.com or 719-539-6738

Gunnison Field Trip - March 17

Once a year we take a field trip to Gunnison to visit their Ice Rink and Rec Center. Kids ages 8 and older are allowed to participate without an adult, so we are looking for a few adult chaperones for the day. All volunteers will receive free admission and equipment rental.

Underwater Egg Hunt - April 13

Our underwater egg hunt is very popular, and also very hectic! We'd love a few volunteers to help out with registration and wrangling the kids from 5:00 - 6:30pm.

KORE - Kids Opportunity for Recreational Experience

KORE is our summer youth volunteer program and is designed for young adults entering grades 8-9 in the fall of 2017. The intention of the program is to give middle and high school kids the opportunity to gain personal, hands-on, leadership experience through the City of Salida Recreation Department while having tons of fun. Applications will be available at the pool in April.

FIBArk Land Events - June 15 - 18

The Salida Rec Department organizes the land events during FIBArk. Last year we had over 600 participants! We need multiple volunteers to help out with registration, as course marshals, and as aid station workers. A limited number of free race entries are available for those willing to volunteer for one of the land events.

Banana Belt Mountain Bike Race - September 16

We also need registration help, course marshals, aid station workers, and certified medical volunteers during the Banana Belt Mountain Bike Race. All volunteers will receive a drink ticket and food during the after party.
