

Pickleball

Centennial Park Outdoor Pickleball Play

May 1 through October

Times listed below are when pickleball play takes priority. Play is allowed on 1 court during non-priority times if courts are open. Outdoor play available through mid-October, weather permitting. Equipment is available and the courts are free. Please only set up one net during non-priority times at Centennial Park. Suggested donation is \$2 per player.

FREE for Silver Sneakers and Silver & Fit Members.

Monday, Wednesdays and Fridays: 9-noon, Intermediate/Competitive
(play on Wednesdays does not begin until 10:30am for park maintenance)

Tuesdays, Thursdays and Saturdays: 9-noon, Recreational

Sundays: 9-noon, All Levels

Chaffee County Fairgrounds Indoor Pickleball Play

Beginning May 1, 2017

We will continue to offer drop-in indoor play during the summer four times per week at the Chaffee County Fairgrounds, 10165 CR 120. \$3 per person, FREE for Silver Sneakers and Silver & Fit Members.

Mondays: 5-7:30pm Recreational

Tuesdays: 1-4pm Competitive

Wednesdays: 5-7:30pm Recreational

Thursdays: 5-9pm Competitive

Players of all ages and abilities welcome. Equipment provided. For a complete description, rules, regulations, skill level guidelines and all things pickleball, visit www.usapa.com. Interested players are encouraged to contact the ambassadors to join the player's contact list or arrange an introductory demonstration: Kathy Evers, keevers33@gmail.com or 714-299-9262; Stephanie McDonald, smcdonald1107@hotmail.com or 281-685-3557.

Salida was recently awarded a GOCO Grant of \$240,000, with contributions of \$15,000 from Chaffee County and \$10,000 from Peak to Peak Pickleball Club and Salida Tennis Club, to build new tennis/pickleball courts on the east side of the Aquatic Center. The new facilities will include two tennis courts, with eight pickleball courts, fencing, lights, windscreens, restrooms, drinking fountains and a paved parking lot. The new courts are expected to be completed and open by Fall 2018.
