

LAP SWIMMERS GUIDE

For Jan 8-12

We applaud your dedication to maintaining fitness through swimming. The City of Salida is pleased to maintain this facility for lap swimmers, and many other users such as swim team members, kayakers, seniors, middle school students, tots, and all the other members of the community, and visitors, too! During the year the pool schedule sometimes changes to accommodate seasonal uses in an effort to facilitate your training schedule, here is a list of times for lap swimming each day of the week, showing how many lanes are available for certain hours.
